**Please Note:**

- In the interest of 'best advice' the Manager promotes the use of a licensed Financial Adviser. Should a Financial Adviser, who must be contracted with the Manager, be used by the Client, the Manager will pay a portion of its initial manager charge, as well as a portion of its service charge, to the Financial Adviser for the services rendered by the Financial Adviser to the Manager.
- Initial manager charges are negotiable between the Financial Adviser and the Client, and should depend on the level of professional advice/service rendered. The Financial Adviser can only negotiate their portion of the initial manager charge. The Manager, at its sole discretion, may vary the percentage of the total upfront charge that it pays to the Intermediary.
- A sliding scale is normally applicable to the initial manager charge. However, the Client and the Financial Adviser may agree on a different arrangement, in which case an initial manager charge as agreed, between the Client and the Financial Adviser, will be charged on the investment transaction. If no initial manager charge is indicated, the sliding scale will apply.
- If the Client chooses not to use a Financial Adviser service, the maximum initial manager charge will be applied to the investment. The sliding scale will be applied – please consult the portfolio charges brochure.
- Service charges (annual administration charges) are set by the administrator.
