Please Note:

- In the interest of 'best advice' the Manager promotes the use of a licensed Financial Adviser. Should a Financial Adviser, who must be contracted with the Manager, be used by the Client, the Manager will pay a portion of its initial manager charge, as well as a portion of its service charge, to the Financial Adviser for the services rendered by the Financial Adviser to the Manager.
- Initial manager charges are negotiable between the Financial Adviser and the Client, and should depend on the level of professional advice/service rendered. The Financial Adviser can only negotiate their portion of the initial manager charge. The Manager, at its sole discretion, may vary the percentage of the total upfront charge that it pays to the Intermediary.
- A sliding scale is normally applicable to the initial manager charge. However, the Client and the Financial Adviser may agree on a different arrangement, in which case an initial manager charge as agreed, between the Client and the Financial Adviser, will be charged on the investment transaction. If no initial manager charge is indicated, the sliding scale will apply.
- If the Client chooses not to use a Financial Adviser service, the maximum initial manager charge will be applied to the investment. The sliding scale will be applied – please consult the portfolio charges brochure.
- Service charges (annual administration charges) are set by the administrator.

## TERMS AND CONDITIONS

1. Net Asset Value (NAV): Prices are calculated on a NAV basis, which is the total value of all assets in the Portfolio including any income accrual and less any permissible deductions from the Portfolio divided by the number of participatory interests in issue. Permissible deductions include brokerage, Securities Transfer Tax, auditor's fees, bank charges, NAMFISA fees and the service charge levied by STANLIB Namibia Unit Trust Management Company Limited ("the Manager").
2. Initial Manager Charges: The initial manager charge is deducted from the full investment value and the remaining amount is allocated to the selected investment options. Commission paid to Financial advisers is incorporated in the initial manager charge. Any additional investment will incur an initial manager charge.
3. Service Charge: The service charge for the individual portfolios is accrued daily and levied monthly on the market value of the portfolio. Certain portfolios have a performance based service charge which shall be a variable amount that may either increase or decrease, depending on whether the Manager has added or detracted value for the portfolio relative to a passive investment in the portfolio's benchmark. Please refer to the latest fact sheet(s) for more details. The service charge is normally deducted from the income received by the portfolios.
4. Performance Fees: Where fees are not accrued daily, the fee accrual is lagged and rolling measurement periods are used, certain participatory interest holders may carry a lower proportion of the performance fee relative to performance enjoyed, whilst other Clients may carry a higher proportion of the performance fee relative to performance enjoyed. Where underlying portfolios charge implicit performance fees (i.e. implicit in their unit prices), participatory interest holders may carry these performance fees regardless of whether the top-tier portfolio or mandate has out-performed its own benchmark.
5. Total Expense Ratio: The Total Expense Ratio (TER) of a portfolio is a measure of the portfolio's assets that were relinquished as operating costs expressed as a percentage of the daily average value of the portfolio calculated over a period of usually a financial year. Typical expenses which are deducted from a portfolio include brokerage, Securities Transfer Tax, auditor's fees, bank charges, NAMFISA fees and the service charge levied by the Manager. The TERs can be located on the Fact Sheets.
6. Switching: A "switch" involves selling participatory interests (units) in one portfolio and investing the proceeds in another portfolio. The Manager does not normally charge initial manager charges twice, other than in the instance where the original entry was into a portfolio with lower charges than the portfolio into which the Client will be investing. Accordingly, the Client will have to pay in the difference in the initial manager charges. However, the Client and the Financial adviser may agree on a different arrangement to that mentioned above, in which case an initial manager charge as agreed, between the Client and the Financial adviser, will be charged on the switch transaction. As costs may change from time to time, please consult with your authorised Financial adviser.
7. Income Distributions: Income distributions are made at regular intervals for all portfolios. Portfolios either declare distributions monthly, quarterly (31 March, 30 June, 30 September, 31 December), bi-annually (30 June, 31 December), or annually (31 December). These distributions are paid by no later than the last working day of the following month. Please refer to the latest fact sheet(s) for more details.
- Standard Bank Namibia Cash Plus Fund us a non-distributing fund.
8. Money Market Portfolios: The price of each participatory interest (unit) is aimed at a constant value for all Money Market Portfolios. The total return to the Client is primarily made up of interest received but, may also include any gain or loss made on any particular instrument. In most cases this will merely have the effect of increasing or decreasing the daily yield, but in an extreme case it can have the effect of reducing the capital value of the portfolio. The Manager will endeavour to give Clients access to their cash within a period of 48-hours (excluding public holidays in Namibia and South Africa), provided that there are no outstanding administrative issues between the Manager and the Client, and that the Client's repurchase request has reached the Manager before 12h00 on any business day. The Manager will not accept responsibility for not being able to make payment to the Client within 48 hours if the above-mentioned requirements have not been met, or the delay was caused due to circumstances beyond the control of the Manager.
9. Electronic Transactions: the Client agrees that the Manager shall be entitled to implement all instructions and applications of whatever nature received on their Internet site, by telephone, by fax or any other electronic medium and which appear to emanate from the Client. The Manager is indemnified against any losses, claims or damages arising from acting on such instructions and/or applications, notwithstanding that it may later be proved that any such instruction was not given by the Client. The Client agrees that the electronic records of all instructions and applications processed by/or on behalf of him/her or which purport to be processed on behalf of the Client via STANLIB's Internet site, telefax, telephone or any other electronic medium shall constitute prima facie proof of the contents of such instructions and applications.
10. Payments: Redemptions, regular income options and income distribution payments can only be made electronically into an account in the name of the Client. No third party or cheque payments will be made.

  - 11.2. The value of participatory interests may go down as well as up and past performance is not necessarily a guide to the future.
  - 11.3. An investment in the participations of a collective investment scheme in securities is not the same as a deposit with a banking institution.
  - 11.4. Where exit charges are applicable, participatory interests are redeemed at the net asset value where after the exit charge is deducted and the balance is paid to the Client.

- 11.5. A Portfolio of a collective investment scheme in securities may borrow up to 10% of the market value of the Portfolio to bridge insufficient liquidity as a result of the redemption of participatory interests, and may also engage in scrip lending.

- 11.7. A schedule of charges and maximum charges is available on request from the Manager. Commission and incentives may be paid and if so, would be included in the overall costs. Ongoing commission may be paid to Financial advisers. Such ongoing commission, if applicable, will be paid by the Manager from the service charge paid to it. Details of such ongoing commission paid by the Manager to the Financial adviser on record in respect of your investment are available on request from the Manager.
- 11.8. The exposure limit to a single security in certain Portfolios can be greater than is permitted for other Portfolios.
- 11.9. A Fund of Funds Portfolio only invests in other portfolios of collective investment schemes, which levy their own charges, which could result in a higher cost structure for these portfolios.
- 11.10. A Feeder Fund Portfolio only invests in the participatory interests (units) of a single portfolio of a collective investment scheme, apart from assets in liquid form.
- 11.11. The Manager reserves the right to close certain Portfolios from time to time in order to manage them more efficiently. More details are available from the Manager.
- 11.12. The holdings of offshore investments in certain portfolios are subject to current Bank of Namibia regulations.
- 11.13. Forward pricing is used.
- 11.14. Fluctuations or movements in exchange rates may cause the value of underlying offshore investments to go up or down.
- 11.15. The Manager undertakes to repurchase participatory interests at the price calculated according to the requirements of current legislation, and on the terms and conditions of the relevant Deeds.
- 11.16. Payment will be made within 14 days of receipt of a valid repurchase form. Please note that there is a 21-day clearance period for cheques and direct deposits, a 45-day clearance period for debit orders, and a 60-day clearance period for once-off debit orders received as investments.
- 11.17. All portfolios are valued at 15h00, except for fund of funds which are valued at 24h00. For non-money market funds, investments and repurchases will receive the price of the same day if a complete instruction is received prior to 15h00. For money market funds, investments will receive the price of the same day if a complete instruction is received prior to 12h00, and repurchases will receive the price of the following day if a complete instruction is received prior to 12h00. The price, which will apply to an instruction received on a Saturday/Sunday or a public holiday will be that of the following working day. Times are GMT+2.
- 11.18. The Client confirms that neither the Manager nor any of its staff provided any advice and that the Client has taken particular care to consider whether the investment is appropriate considering the unique investment objectives, financial situation and particular needs.
- 11.19. All bank accounts supplied for the duration of this investment will be verified with the relevant banks prior to the investment being placed.
- 11.20. Conflicts of interest disclosure: the Manager shall, wherever possible avoid situations causing a conflict of interest. Where it is not possible to avoid such conflict: the Manager shall advise the Client, of such conflict in writing at the earliest reasonable opportunity and shall mitigate the conflict of interest in accordance with its Conflict of Interest Management Policy. A copy of this Policy is available on the STANLIB website. The Manager is part of the Standard Bank Group of companies.
- 11.21. The Client may at any time terminate a Financial adviser's appointment. It is the Client's responsibility to advise the Manager of such termination in writing. Upon receipt of such notification the Manager will cease payment of any further service charge to the Financial adviser. However the client understands that this will not result in a lower annual service charge as the full service charge will now be paid to the Manager.
- 11.22. NAMFISA shall not be liable by virtue of its licensing of this undertaking or by reason of its exercise of the functions conferred on it by legislation in relation to this undertaking, for any default of the undertaking.
- 11.23. The licensing of this undertaking does not constitute a warranty by the NAMFISA as to the credit worthiness or financial standing of the various parties to the undertaking.
- 11.24. A valuation given by the Manager is at the previous trading day and is not a realisation value.
- 11.25. In the case of a change of name/signature(s), a certified copy of the relative document with specimen signatures (new and previous) must accompany this request.
- 11.26. If this form is signed under Power of Attorney, a certified copy of such Power must be attached unless previously recorded.

You indemnify STANLIB against any loss of any nature which may arise if any money you have paid to a STANLIB bank account is reversed for any reason.
- 11.31. **Unclaimed Assets:** The client acknowledges that it will ensure that STANLIB has the Client's most up to date contact details and takes responsibility to inform STANLIB of any changes in personal information. In the event that the Client becomes unreachable or any payment due to the Client is rejected by the receiving bank, the Client's investment may be regarded as an unclaimed asset. STANLIB will make a concerted effort in contacting the Client with unclaimed assets which may result in STANLIB appointing an external tracing company to trace and contact the Client in respect of any unclaimed assets. Costs related to tracing and administrating unclaimed assets may be recovered from the Client.
