 - The Manager will endeavour to give clients access to their cash within a period of 2 business days if the client's fully completed withdrawal request has reached the Manager before 12:00 on any business day. If the balance of the account is below R2,000, any withdrawal instruction will result in the total balance being withdrawn and the account will be closed. If the balance of the account is above R2,000, any withdrawal request below R2,000 will result in the minimum transaction amount of R2,000 being withdrawn.
- Other Fixed Interest Portfolios and Equity Portfolios:** Minimum remaining amount on all STANLIB Funds is R2,000.00. The minimum withdrawal amount on All STANLIB Funds is R2,000, any withdrawal request below R2,000 will result in the minimum transaction amount of R2,000 being withdrawn. - Payment will be made as soon as possible but within a maximum period of 14 days of receipt of a valid withdrawal form.
- Overnight Interest Allocation:** Interest earned by STANLIB in its bank account (subscription) on deposits made by you will be added to the investment amount if it takes longer than 1 Business Day, after the receipt of the deposit and/or the fulfilment of any outstanding requirements, to process the transaction. Deposits made on a non-business day (i.e. public holidays, Saturdays and Sundays) will also not attract any interest.
- Switching:** A "switch" involves selling participatory interests (units) in one portfolio and investing the proceeds in another portfolio. The Manager does not normally charge initial Financial Adviser charges twice, other than in the instance where the original entry was into a portfolio with lower charges than the portfolio into which the Client will be investing. Accordingly, the Client will have to pay in the difference in the initial Financial Adviser charges. However, the Client and the Financial Adviser may agree on a different arrangement to that mentioned above, in which case an initial Financial Adviser charge as agreed, between the Client and the Financial Adviser, will be charged on the switch transaction. As costs may change from time to time, please consult with your authorised Financial Adviser.
- Cleared participatory interests (units) will be paid immediately and participatory interests not cleared, will be paid on the clearance date. (A clearance period of 21 calendar days for cheques and 45 calendar days for recurring and once-off debit orders will apply.)
- Participatory interests arising from a debit order are not available for repurchase until the expiry of 45 days from the debit order transaction dates. If you are repurchasing all participatory interests and have elected to cancel your debit order, the participatory interests relating to uncleared debit order transactions will be paid at the expiry of the 45 day clearance period. If your debit order is to continue, the participatory interests in respect of uncleared debit order transactions will remain in your account at the expiry of the clearing period.
- An existing debit order will remain in force unless otherwise specified. If a debit order cancellation is indicated, the instruction must reach the Manager two business days prior to the debit order collection date.
- The proceeds will be transferred electronically to the investor's bank account. Payment to a third party bank account, i.e. an account not in the name of the investor, is not allowed. Payments can only be made to transmission, savings or current accounts.
